

## COVID-19 ANNOUNCEMENT

April 1, 2020

Family Health Centers, Inc. confirmed the first cases of 2019 novel coronavirus disease (COVID-19) in two employees. Testing confirmed this diagnosis. The individuals are in good condition and are isolated to prevent spread of infection to others. We are hopeful the individuals will have a rapid and full recovery.

After developing symptoms, the individuals took the appropriate action and stayed home. Family Health Centers, Inc. will handle each case with the utmost respect to privacy, while informing potentially affected staff and taking swift measures to mitigate spread of the virus. Please understand that out of respect for individual's privacy, there are details about these cases (or others moving forward) that we will not be able to share.

The health and safety of our workforce and patients are top priorities for Family Health Centers, Inc. Therefore, the organization is considering and taking all necessary actions to further protect the health and safety of both our workforce and patients. As front-line responders to the COVID-19 response, we want to make sure each of our staff, along with our patients, are kept safe at all times. They are asked to do demanding jobs, in demanding circumstances and our goal is to make sure that everyone gets home to their families and communities safe and healthy.

As such, Family Health Centers, Inc. has closed all of its facilities as of Monday, March 30<sup>th</sup> and will remain closed until Monday, April 6<sup>th</sup> due to exposure to COVID-19. We will keep patients and the community informed as we learn more.
