For each additional household member add \$4,480 to annual income.

Sliding fee scale based upon total gross household income and the number of persons residing in the household.

For under 100% of the FPL there is a 100% discount and the following Nominal fee:

Nominal Fee for Category F is:

Medical office visit and any procedure which cost is included in the FQHC rate	\$25.00
Minor surgical procedures and laboratories not included in the FQHC rate	\$25.00 plus cost of procedure
Health Education, Behavior Health, Vision, and Medication Therapy Management	\$20.00
Podiatry	\$25.00
Dental visit	\$25.00 for office visit plus dental lab and supplies. Nominal fee does not apply to cosmetic or elective procedures (ie. implants vs dentures)
X-Ray	\$20.00 visit plus cost of equipment, supplies and readings

For a patient in the discount classes above 100% FPG, the amount paid for a given service (including the discount) must be greater than the nominal fee for that service.
